MESCO Profile

메스코|주|

www.mesco.co.kr

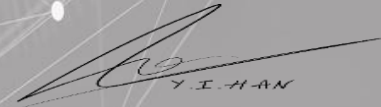

We're always with you

**MESCO promises the high-quality
and the best & warm service for
customers.**

Since established in 1989, MESCO has supplied satellite and radio tele. Communication devices to the market. Even we have participated in building the land station situated in GeumSan-gun. MESCO is a Telecommunications Service Provider and also has ISO 9001, 14001, 45001. All the time that MESCO has spent growing together with our customers and for employee's education on professional service to customers.

Never forgetting the loyalty of our customers, MESCO promises to make our best efforts toward rewarding you with the highest quality.

History

1989~

Established in

1992.10

Agreement on Satellite Communications System service & Agency with Norway NERA AS

1992.12

Agreement on Voyager Data Recorder System service & Agency with England Broadgate

1997.01

Participated in KT Geumsan Satellite Land-station

1997.11

Completion of Inmarsat M, B & Mini M Satellite Earth Station at KT Geumsan Satellite Land-station

2000~

2000.03

Agreement on Iridium Agency with SK Telecom

2000.04

Certified of ISO 9002 for quality

2000.05

Awarded Best Performance Distributor in 1999 by Nera ASA

2010~

2011.04

Agreement on Buoy Agency with Spain Marine Instrument

2013

- Agreement on agency with Advanced Designs Corporation USA
- Agreement on agency with Vector Infotech
- Agreement on agency with Comeca

2013. 07

Lunch of MESCO R&D center

2016. 10

Development of own software (Digital Clinometer Display web-app. V.1.0) and certified of GS

2020~

2021.04

Agreement on Satellite Communications System service & Agency with Orbcomm

2022.09

Agreement on Satellite Communications System service & Agency with Thuraya

2023.01

Mr. Han, the president, selected as the chairman of Yeongdo-gu by Busan Sports Council

2023.(TBA)

Under agreement on Satellite Communications System service & Agency with Inmarsat
